

Yong Ge | Dual-Passion Explorer

Undergraduate Student

School of Data Science & Artificial Intelligence, Wenzhou
Institute of Technology

My Two Sides

A-Side • Tech Explorer

- **AI Enthusiast:** Delving into ML/DL frontiers, especially NLP—using Python to teach machines human language.
- **Hands-on Developer:** Actively building projects to sharpen engineering skills (check my GitHub!).
- **Deep Reader:** Obsessed with tech philosophy & cognitive science books.

B-Side • Literary Wanderer

 Devours 20+ novels/year, from *The Three-Body Problem* to *The Brothers Karamazov*.

✨ Secretly dreams of writing an AI-aided interactive novel.

🔑 Finds weird joy in analyzing emotional arcs in sci-fi classics.
